

Volunteer Facility Manager for Youth Residential Facilities

Our foster youth live in homes like ours, that require regular repairs in order to maintain them to a high standard. Can you spare 2-4 hours each month to make a difference? Can you nail out repairs, and bring new life to broken things? Can you fix dry wall, minor leaks and perform simple electrical repairs? Do you want to join a volunteer team of like-minded people who care?

If so, let's get to work!

About Youth Homes

Youth Homes operates four, six bed homes in Concord, Pleasant Hill, and Lafayette for foster youth between the ages of 12-18. Each residence is nestled in a neighborhood community and is designed to provide a therapeutic environment in which children and youth have stability and structure, attend school, develop positive relationships, and learn life skills.

How you can help:

- Hear our repair needs
- Let us know if you can help
- Purchase supplies (and get re-imbursed)
- Bring your tools
- Get the job done

Who we are looking for:
